

VOLCANO COMMUNITY ASSOCIATION

PO Box 193, Volcano, CA 95689

Dear Neighbor,

We are seeking your support to become part of the Volcano Community Association (VCA). The VCA is a non-profit corporation formed in 1952 to utilize the enterprises of its members in promoting education, social and civic measures. Involvement in the VCA unites members in friendship and understanding.

The proceeds from events organized by the VCA go to various causes within the community. The Crab Feed is one of our largest events and is the primary source of income providing scholarships for the youth of the VCA members. Other events such as the Cannon Ball Run and Chowda Chomp fund expenses accrued by the VCA and various donations.

We encourage you to become a member and volunteer in one or more of the projects listed below. VCA meetings are held in the Armory Hall on the third Wednesday of the month beginning at 7:00pm. (Update: Location of the meetings TBD based on current COVID restrictions.)

Please consider becoming a member by sending a check payable to the VCA in the amount of \$20.00 to PO Box 193, Volcano, CA 95689. (The \$20.00 applies to those who reside under a single residence.)

Name _____

Address _____ City _____ Zip _____

Phone Number _____ Email _____

Names of others residing with you _____

List Children, if any:

Name _____ Graduating Year _____

Name _____ Graduating Year _____
