additional dates that need to
be added for next month.*

Sunshine

Congratulations to Amy for
being a new grandmother.

Get well to Mary. She had a
slip on the ice and is still
recovering

Winter Wonderland

What a few crazy white weeks we have had. Big shout out to Amy Moreno for opening up the hall and providing warmth and light to those who had been with out power. As a community I would like to see us use the hall generator as constant resource when needed. Please suggest a standard amount of hours that the power is out, to when the hall doors should be unlocked to the community. For you that don't know the hall provides: warmth, lights, power, functioning restrooms and running water for those on wells.

Crab Feed

The annual Crab Feed is only weeks away. We feel this will be

Committee Updates

Crab Feed only 8 tickets left

Ladies Tea committee will be meeting 2/26 @ 6pm at the whiskey flats if anyone would like to join

Cannon Ball Run committee has met and plans to meet 2/28 @ 5pm

Scholarship deadline has passed for last years hours. Please be mindful when turning in this years hours.

Town Clean Up we have a dumpster for the day what are your suggestion on what to tackle?

Web Site the committee is in the process of developing content what do you want to see?

another successful year and that we have all of our ducks in a row. There are just a handful of tickets left at the bakery still available for purchase. If you have a student wanting to acquire volunteer hours for the community or for high school please contact Colleen. The biggest way you can help is by donating to our raffle or dessert auction. You should be getting a form by email shortly for the dessert auction.

Events

With hard dedicated work each year we are able to put on some spectacular events. Unfortunately this is done by only a hand full of willing people. when the event end I always hear constructive criticism come back. I always welcome feed back, but also encourage each of you to participate. Remember all volunteer work does not have to happen the day of the event. Task such as posting flyers, mailing letters, composing thank you letters after an even, making phone calls, and much more can help take some ohh the weight of our coordinators. So please reach out and find you replace in our community.
